

# UVU Fine Arts Building

## Need For New Building

- Performing and visual arts have quadrupled in enrollment as the institution has matured in its role as a university
- UVU was awarded 130 Bachelor Degrees within USHE in Visual and Performing Arts, the third largest number for the 2013-14 school year
- UVU has 2,000 performing arts majors
- 16,500 students enrolled in an arts course as an elective- approximately 26% of the entire student body.

## Building Project:

- 120,000-140,00 square feet
  - 700 seat theater
  - 450 seat Proscenium theater
  - 150 seat dance recital/lecture hall
  - 150 seat dance recital hall
  - 1 exhibition space
  - 40 offices
  - 10 classrooms

## Freed Space After New Building Completion

- 20,000 square feet for Technology and Computing
- 12,000 square feet for horizontal construction department
- 30,000 square feet of new dance space created in Liberal Arts Building

## Project Costs

- \$50.4 million construction cost
